THANK YOU BABSOCKS!

It all began in 2015, when Babsocks were dreamt up by two lifelong fans in a hockey locker room in Toronto.

Immediately after launching the original pair, the socks were picked up by news outlets across Canada and the United States. Most importantly, fans all over the world started wearing Babsocks with pride.

Over the past two seasons, Babsocks has donated \$125,000 to support youth mental health research and programming and has raised \$80,000 for minor hockey teams through the support of the Babsocks fundraising program.

From the beginning, the brand has proudly engaged with important causes in the hockey world through partnerships with organizations like CAMH, the Movember Foundation, and Mike Babcock himself. Babsocks is proudly supporting the 2019 ALLIANCE Hockey AAA Face Offs where each Player of the Game will receive two pairs of Babsocks! You can get your own pair of Babsocks at www.majorleaguesocks.com.

Remember, by purchasing the CAMH Purple Babsocks, 10% of proceeds go to support CAMH and help end the stigma surrounding mental illness.
