**THANK YOU, CANUCKS
FOR HOSTING THE
U14AAA FACE OFF!**

Skill Development | Player Safety-Transition to Body Checking

The transition from U13 hockey without body checking into U14 hockey with body checking can be a challenge for participants, parents, officials, and administrators alike!

Player Safety is paramount, and we must remember that Body Checking is a skill used to separate the player from the puck. The onus is on the player who is making the hit, to ensure that this is accomplished within the rules and that the opponent is never placed in a vulnerable position where injury could occur. Hockey is a contact sport, and all participants must compete with **RESPECT** and never with the intention of injuring an opponent.

A collaborative effort between all members, including officials, coaches, players, and parents is required to ensure player safety is always a top priority.

Have a safe & fun season!

2023-24 U14AAA Season Highlights

- ALLIANCE Hockey U14AAA League Regular Season runs until February 25, 2024
- Playdowns begin February 26, 2024
- 2024 U14AAA OHL Cup will be held in Oakville April 12-14, 2024
