Note: The ALLIANCE Hockey Manual of Operations is available at: www.alliancehockey.com.

1. **GAME CURFEWS** – Curfews will be permitted at all levels of Representative and Minor Development Hockey. Curfew times if required by the Centre, will be listed on the game sheet. Upon reaching the end of the scheduled ice time, the game is to be suspended.
2. **(Reminder) GAME START & BREAK PROCEDURES** – During the warm-up, the referee will blow his/her whistle with 30 seconds remaining at which time teams need to pick up their pucks and complete their final skate prior to the start of the game. In games where there is no flood between periods, the timekeeper shall put 1:00 minute on the clock at the end of the period and allow the time to run down to zero, at which time the teams will be ready to start the next period.
Note: If a team delays the game for too long, a bench minor could be assessed.
3. **POST-GAME HANDSHAKE** – For all ALLIANCE Hockey AAA, Seeded and MD games, players will meet at center-ice and shake hands at the conclusion of the game, unless at the discretion of the referee(s) it is inadvisable to do so for reasons of player safety. In Play-downs and Play-offs Minor Bantam and above handshakes will take place at the conclusion of the series.
4. **NECK GUARD POLICY** – The wearing of a BNQ approved throat protector will be mandatory for all ALLIANCE Hockey HCOP on-ice Officials (implemented as of the 2010-11 season).
5. **TIME-OUTS** – Time-outs are permitted in ALLIANCE Hockey AAA, AA & A regular season, play-down and playoff games. Time-outs will **not** be permitted in MD (East/Central and West) regular season, play-off or exhibition games. Time-outs are permitted in ALLIANCE Hockey MD (East/Central and West) play-downs and in the ALLIANCE Hockey MD Championships. NOTE: Tournaments may allow time-outs so please carefully review tournament rules. Please follow Hockey Canada rules (Rule 84 f) for time-out procedures and reference ALLIANCE Hockey Structure Policy 11.14: Timeouts.
6. **MAJOR MIDGET MERCY RULE** – The ALLIANCE has a Mercy Rule for Major Midget AAA, AA, A and Midget MD. If at any time in the third period there is a five (5) goal differential in the score, the clock will begin to run on straight time and will continue running until the end of the game. If a timeout is called, the clock must be stopped for the duration of the timeout and re-started again at the drop of the puck. (If the difference in score becomes less than 5 goals, the clock continues running time.) All penalties assessed when the Mercy Rule is in effect, including those assessed at the end of the second period when a five goal difference exists to start of the third period, will be assessed at 1 ½ times their normal length (i.e. 2-minute minor would be 3-minute minor, 5-minute major would be 7 ½-minute major, 10-minute misconduct would be 15-minute misconduct). Penalties being served before the mercy rule goes into effect shall remain as originally called (no time adjustments). Also, a penalty cannot be completed during an on-ice stoppage of play. The penalized player must remain in the penalty box until the puck is dropped. The Mercy Rule does not apply in ALLIANCE Play-downs and League Playoffs.

In the event the game is still tied at the conclusion of the 5 minutes overtime period, the teams will commence a 3 man shoot out. In the event the game is still tied after the 3 man shoot out, each team will continue to shoot, one shooter at a time until one team gains the victory. No equipment or stick measurements will be allowed. The only penalties that may be called are: 5-minute major + GM, GM, GRM or MP during the Shoot Out. If an association has more than the allotted time to play a game the overtime must be completed in its entirety. If the overtime is curfewed, the game will end in a tie.

Pre-Season Tournaments will not count towards the Policy. Preseason is defined as the following:

Players registered as goaltenders will not be permitted to play any other position in the age divisions and categories that are specified in this regulation.

22. SEEDED LEAGUE APPEAL PROCESS - ALLIANCE Hockey AA and A, and East/Central MD League competition are referred to as Seeded Leagues. The Seeded Leagues are considered two separate leagues known as the ALLIANCE Hockey AA/A Seeded League and the East/Central MD Seeded League. In both cases, the Seeded League teams will participate in the same schedule at which time teams will be split in order to participate at the AA or A category for Representative Hockey and Tier 1 or Tier 2 for MD Hockey. The specific dates to split into two separate leagues will be determined at the June Structure Meeting. The split will always be consistent for even and odd number entries in the following manner, when numbers are odd, less teams will be placed in the higher category with the even number of teams or more teams in the lower category, (example 11 teams 5 up and 6 down) even number (example 12 teams 6 up and 6 down). Consideration will also be given to eliminate byes in the play-offs whereby a division could consist of 8 teams. An appeal can be registered for adjustment to the split by a Member Association. Appeal will not be considered where a division goes below 5 teams and must be more than 4 points in requesting to move down a division. To move up a division the difference in points must be no greater than 3 points of the Tier 1 Division or a 6-point difference between 1st and 2nd place in the Tier 2 Division. The appeal must be submitted one week prior to the split date and must be signed by the Representative Council Member, President of the association and Coach.

23. GAME CANCELLATIONS - Ice Schedulers are the contact people for all game cancellations.

Inquiries on game cancellations must be made by a member of the affected Coaching Staff with their respective Ice Scheduler. The Ice-Scheduler will contact their counterpart to determine the next course of action.

- Coaching Staffs are to inform parents of the proper procedure for game cancellations and that they will be informed by Team Staff as to whether a game is cancelled or not.
- Coaching Staffs are not to contact anyone other than their respective Ice-Scheduler. Contacting opposition Team Staffs, etc. complicates the procedure and may result in disciplinary action.

Teams must be prepared to travel to each game until a game has been “officially” cancelled by their Ice Scheduler.

24. AFFILIATION - A player of a team of a lower Division or category of the same club, or of an affiliated team, or a specially affiliated player, may affiliate to a team or teams of higher Divisions and categories at any time, to a maximum of ten (10) games. However, if the player’s registered team completes its regular season and playoffs

before the player's affiliated team or teams, the player may thereafter affiliate an unlimited number of times. For goaltender exceptions see Regulations B.42, E36 (b).

- No new registration certificate is required or shall be issued for players so advancing, and such players are not numbered among the higher team's nineteen (19) registered players.
- Tournament and exhibition games shall not count as part of the ten games.
- No player may be used as an affiliated player without the consent of his/her ALLIANCE Hockey approved team.

25. **AFFILIATED PLAYERS PARTICIPATION IN GAME** - Any player participating as an affiliated player must be indicated on the game sheet by the notation "AP" beside his/her name. Appearance of the player's name on the official game sheet shall be considered participation in the game, except in the case of a substitute goaltender, in which case actual participation shall be specifically noted on the game sheet.

26. **MOVEMENT OF HOUSE LEAGUE PLAYERS THAT ARE AFFILIATED TO SELECT & MD OR 'A' TEAMS** - Players registered and approved on ALLIANCE House League rosters may play for two (2) additional ALLIANCE teams. With the third classification team being MD or higher, only five (5) games in total are permitted, provided they qualify by residence and age.

- House League players must fulfill their commitment to their House League team before playing as an affiliated player or for a House League Select or higher category team.

27. **MD TIE BREAKER** - In MD Hockey where the league is not seeded, the first-tiebreaker for play-off or play-down seeding determination will be regular season final standings. If teams are tied in regular season standings refer to 7.0 and apply tie-breaker to round robin play-off competition to break the tie.

28. **ACCUMULATED SUSPENSIONS PLAYERS AND COACHES** – The OHF Minimum Suspension List has accumulated Suspensions for both Players and Coaches. It is the responsibility of each Representative Council Member to make sure that each Coach is aware of these suspensions.
