Re: OHF Return to Hockey Framework Update

Bulletin ID: 21-003

While the situation is still evolving, the Ontario Hockey Federation (OHF) is continuing to work with its Members to prepare for a return to programming with the necessary measures in response to COVID-19. With that said, the OHF has **further updated its phased approach** to return with programming while continuing to focus on the health and safety of all participants.

Noteworthy updates include:

- Progression to Phase 3 Stage 3D within the framework.
- Adjusted number of on-ice participants to read, “max participants (players & coaches) on-ice in accordance with Ontario law or PHU if more restrictive.”
- Inclusion of modified playing rules for full-ice programming, including 5-on-5 game play.

To review the updated information, visit the [OHF Return to Hockey webpage](#).

Should any questions arise, do not hesitate to reach out for clarification. Your support and compliance with the relevant guidelines is of great importance to the continued success in providing an opportunity for our participants to enjoy the game. We look forward to returning to the rinks when the Ontario government determines it is safe to do so.
