Re: Safe Return for Officials
To: ALLIANCE Hockey Associations & Officials

Within the Return to Play Framework, safety is a priority for all participants, including on and off-ice officials.

It is the responsibility of the local minor Associations to ensure that all safety protocols are implemented and communicated to all participants, including on-ice and off-ice officials.

For On-Ice Officials:

- On-Ice Officials must adhere to all provided hockey/facility guidelines.
- On-Ice Officials are required to review the Hockey Canada Officiating Guidelines prior to officiating.
- On-Ice Officials should be prepared to arrive already dressed to the arena.
- If dressing rooms are available:
Please ensure that they are available for officials with all appropriate protocols implemented.
- If dressing rooms are unavailable:
Please ensure that there is a safe area for officials to put on skates and to securely place their belongings while on the ice.

For Off-ice Officials (i.e. timekeeper(s)):

- Off-Ice Officials must adhere to all provided hockey/facility guidelines.
