Re: Game Sheets – 2020-2021 Season
To: ALLIANCE Hockey Associations, Bench Staff, Officials & Timekeepers

As a result of precautions associated with the COVID-19 pandemic, ALLIANCE Hockey will not be using the GameSheet Inc. App this season.

Instead, Associations may utilize paper game sheets from past seasons or use the *NEW* [electronic game sheet](#) created by ALLIANCE Hockey specifically for the 2020-2021 season. The procedures below are applicable for all game sheets.

***New* Electronic Game Sheet:**

- The game sheet is a downloadable Excel file that is of no cost to Associations.
- The game sheet may be used on a laptop or tablet or printed prior to a game.

Pre-Game Procedures:

- The Home Team/Association is responsible for providing the game sheet on game day and to confirm game information (including referee/linesperson) with the Timekeeper.
- Both Teams/Associations are responsible for providing their team information whether pre-completed (i.e. Associations/Coaches email the sheet to each other) or directly to the Timekeeper on game day.
- Referee/Linesperson information (i.e. name, contact number) should be included on the game sheet but Referees/Linespersons are not required to sign the game sheet.
- It is recommended that as minimal contact with the game sheet as possible amongst persons is exercised (i.e. one individual complete the required information if possible, do not share pens, etc.)

Post-Game Procedures:

- Within 3 hours of game completion, the Home Association/Team shall:
 - email a copy of the game sheet to the Visiting Team/Association
 - email the front and back sides of the game sheet to the ALLIANCE Hockey Office at: gamesheets@alliancehockey.com
