

## HOW DO I LINK A MEMBER TO MY HOCKEY CANADA REGISTRY ACCOUNT?

To link a member to your account in the Hockey Canada Registry, you will need to take the following steps:

1. Go to <https://register.hockeycanada.ca/home> and click on “LOGIN” in the top right corner.

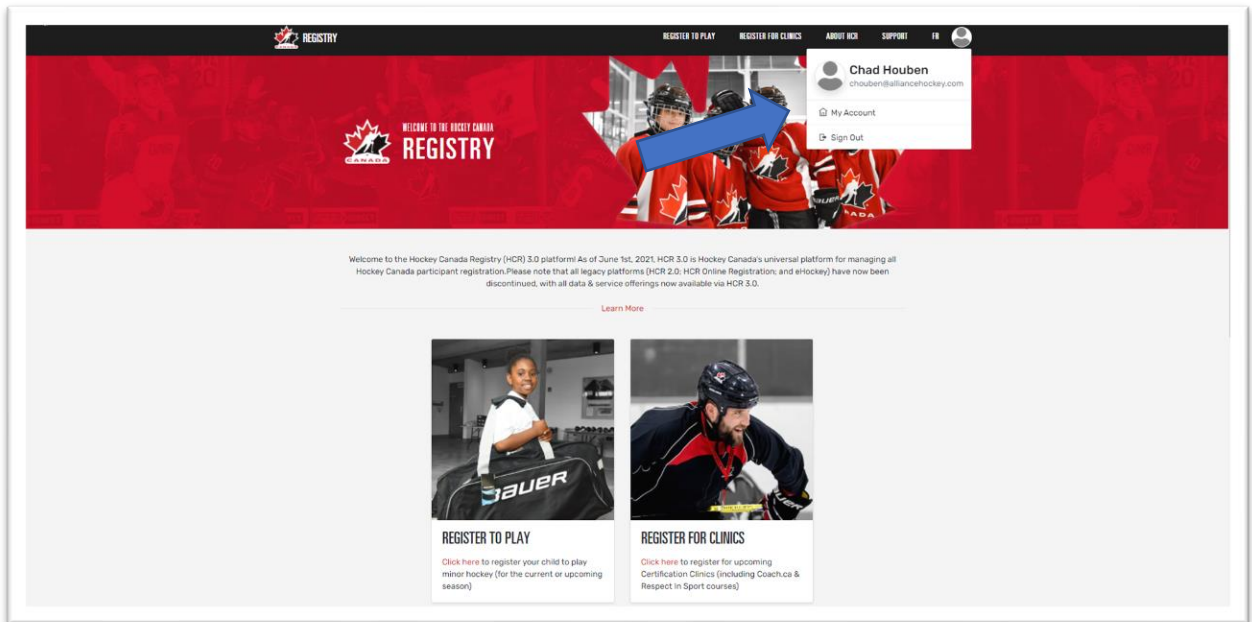

2. Login into your already created account. (NOTE: if you have not created a HCR Account, please create your account first)

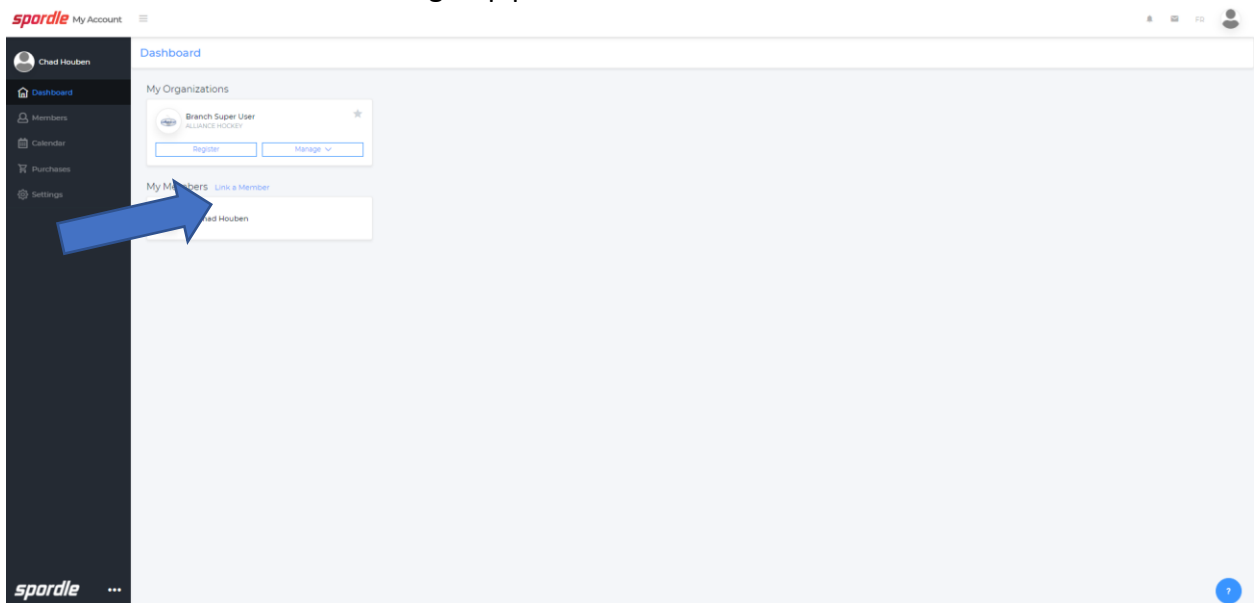

3. Once logged in, you will need to select the portrait in the top right corner and then click "MY ACCOUNT".

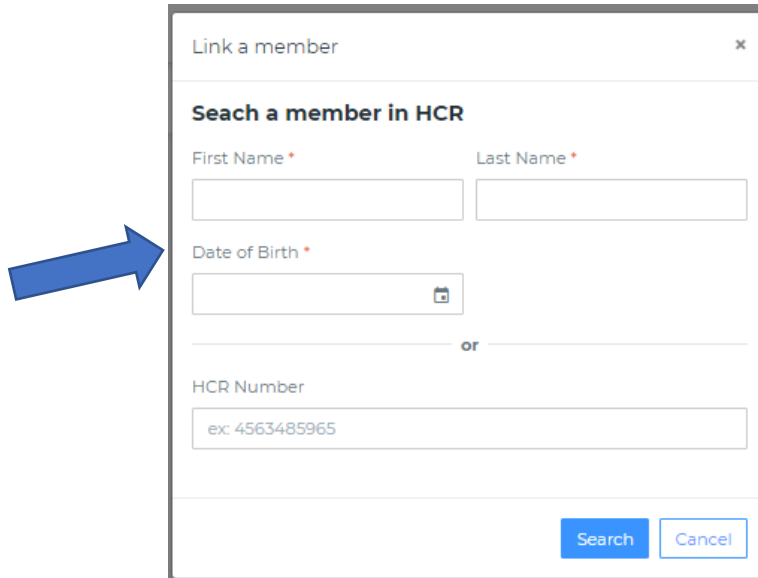

4. Click on "SIGN UP" to start the sign-up process.

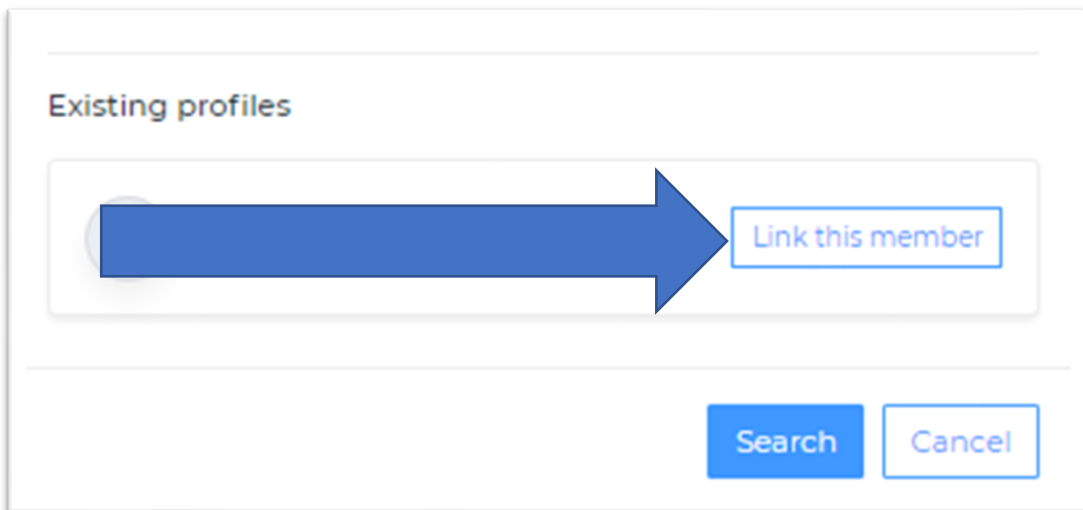

5. Enter the members first name, last name and date of birth. If you know your HCR number you may enter that instead.

The screenshot shows a web form titled "Link a member" with a close button (x) in the top right corner. Below the title is the heading "Search a member in HCR". The form contains several input fields: "First Name" and "Last Name" (both with red asterisks), "Date of Birth" (with a red asterisk and a calendar icon), and "HCR Number" (with a red asterisk and an example "ex: 4563485965"). There is an "or" separator between the Date of Birth and HCR Number fields. At the bottom right, there are two buttons: "Search" and "Cancel". A large blue arrow points from the left towards the "Date of Birth" field.

6. Once you find the members profile, click on "LINK THIS MEMBER".

The screenshot shows a section titled "Existing profiles". Below the title is a large blue arrow pointing to the right, which is positioned over a button labeled "Link this member". At the bottom right of the section, there are two buttons: "Search" and "Cancel".

7. Once select “LINK THIS MEMBER”, you will then be asked to select the relationship of the member. You would choose yourself if it is your profile you are linking but if you are a parent, please select the proper relation.
